

Construction de solides

À l'aide de pailles et de pâte à modeler, tente de construire les solides suivants.

With playdough and straws try to make these solids. Send me a picture of your work.
Write how many shapes you used to make your solid. Look at the example for no. 1.

solides	Figures constituant les solides
 1. Cube	
 2. Prisme à base triangulaire	
 3. Pyramide à base carrée	
 4. Prisme à base rectangulaire	

Nom : _____

 5. Pyramide à base triangulaire	
 6. Cylindre	
 7. Cône	
 8. Pyramide à base rectangulaire	

Y a-t-il des solides que tu n'as pas réussi à construire? _____

Si oui, lesquels? 1 - 2 - 3 - 4 - 5 - 6 - 7 - 8.

Pourquoi? Parce que _____
